

Peter and John see a crippled man begging for money. They don't have money for him, but they have bold faith and they can heal him! Then Peter makes a bold speech to the crowd, announcing that Jesus is God's Son and that the Jews rejected Jesus. God helps us be bold like Peter.

"This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!" (2 Corinthians 5:17).
