

An angel tells Philip to head south. As he does, he sees an Ethiopian in a carriage. The Holy Spirit tells him to walk beside the carriage, and Philip tells the Ethiopian about Jesus. Later, the Holy Spirit snatches Philip away and puts him in a new spot. The Holy Spirit gives us direction.

*“This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!” (2 Corinthians 5:17).*

### Through the Week

- Whenever you’re out with your family, ask the Holy Spirit to show you people who need help.
- Ask the Holy Spirit to show you *how* you can help the people you see. It might be buying a meal at a fast food restaurant, giving them a kind word, or something else.
- Have family members share what direction the Holy Spirit is giving them, and then follow his leading together.
