

Here's what happens...

Everyone lives in the same area and speaks the same language. They decide to build a great city with a tall tower that will make them famous. God sees their hearts; he confuses their language and then scatters them all over the world. God is the greatest!

Bible Point:

God is the greatest, and we don't need to be.

"Have you never heard? Have you never understood? The Lord is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding" (Isaiah 40:28).

Through the Week

Make a God Sightings tower that points to God's greatness!

- Set out sticky notes and pens.
- Look for great things God does during the week; they can be big or small. You might include things like a beautiful sunset or the fact that your dog gave you extra snuggles. These are called God Sightings.
- Write each God Sighting on a sticky note, and stick the notes one above the other on the wall to create a "tower."
- When the tower gets really tall, parents will need to help little ones attach their notes.
- Try to make your sticky-note tower reach all the way to the ceiling by the end of the week!
