

Here's what happens...

God is all-powerful, and he shows his power in a big way! To show his power to the Pharaoh of Egypt, he sends 10 devastating plagues. Finally, Pharaoh is convinced enough of God's power to free the Israelites.

Bible Point:

God is all-powerful, so we respect him.

"Have you never heard? Have you never understood? The Lord is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding" (Isaiah 40:28).

Through the Week

Create reminders to thank God for his power this week.

- Cut out and color the frogs on this handout.
- Give everyone a few frogs to hide around the house.
- Whenever someone finds a frog this week, thank God that he's all-powerful and ask him to show his power in your life.
