

### Here's what happens...

God has been showing the prophet Elisha secret battle plans from the enemy country of Aram. The king of Aram is mad and sends a great army to surround Elisha and his servant. But Elisha can see another army all around them—God's army.

### Bible Point:

God is everywhere, so we look for him around us.

*"For I am about to do something new. See, I have already begun! Do you not see it?"  
(Isaiah 43:19).*

### Through the Week

- Whenever you eat dinner this week, discuss the place that food represents. (For example, spaghetti represents Italy; Chinese food represents China; Idaho potatoes represent Idaho.)
- Talk about the fact that when we say God is everywhere, we don't just mean God is around *us*. God is in Italy, China, and Idaho!
- If you know any international stories of God at work, share them.
- Pray for the people in the countries whose food you're eating.

### Talk About This...

- Tell about a place it's hardest for you to see God.
