

Here's what happens...

Jesus tells two very short stories. In one, a man finds a treasure in a field and sells everything to buy the field and get the treasure. In the other, a man finds a valuable pearl and gives up everything to buy the pearl.

Bible Point:

God is a treasure, so we value him more than anything.

*"For the word of the Lord holds true, and we can trust everything he does"
(Psalm 33:4).*

- If you want, you can draw treasure maps or hide treasure hunt clues.
- Everyone will search until all the treasured possessions are found.
