

Jesus rides into Jerusalem on a donkey colt, and crowds celebrate him! They cheer for him, shout, sing, and spread their coats on the road to make a path for him.  
We celebrate Jesus, too!

*“For the Son of Man came to seek and save those who are lost” (Luke 19:10).*

### Just for Fun

- Have a laundry celebration!
- When it’s time to do laundry, work as a family to make a trail of dirty clothes leading to the washing machine (or to a laundry basket if you use a laundromat).
- As you do, imagine you’re spreading your coats to make a path for Jesus.
- Then toss the clothes into the washer and shout, “praise Jesus!” for each article that goes in.

### Talk About This...

- Would you rather ride a donkey or a giraffe?
